A copy of the marginally noted letter, ~~with enclosure~~, is forwarded with compliments, to the Chief Secretary to the Government of H. H. the Maharaja of Mysore. with reference to this Residency endorsement No.10209, dated the 7th October 1927, with the request that the Resident may kindly be favoured with the views of the Mysore Government in the matter.

No. 5069-III/27-1, dated the 30th January 1928, from the Secretary to the Government of Madras, Development Department.

Letter No.5069-III/27-1, dated the 30th January 1928, from the Secretary to the Government of Madras, - Development Department, to the Hon'ble the Resident in Mysore, Bangalore.

A cattle fair is annually held at Kulgunda in the village of Subramania in the South Kanara district on the borders of Mysore about the time of the great Shasti festival in the village. It is a most importance fair to which the cultivators from South Kanara and Malabar resort to buy their cattle; the Gowdas from Mysore are the largest suppliers. Last year the fair was notified to be held from the 9th to 24th November 1927 and on 12th September 1927 the Revenue Divisional Officer, Puttur, requested you also to notify the dates of the fair. In the early days of this year's fair, the number of cattle entering the fair was very small and the fair was notla success It was reported that this was due to the fact that the Hassan District Board in Mysore was holding at the same time a cattle show at Uchengi, about 22 miles from Kulgunda, although it was originally advertised for 18th October. 1927, and that the catt were prevented from being taken to Kulgunda. In spite of this the Mysore dealers began to bring their cattle in the later days of the fair and the fair was extended till the 27th Novemb The Hassan District Baard also extended their fair for a simila period and it is reported hat the President of the Board came over personally to the Kulgunda fair grounds on the evening of the 19th November and distributed notices about the extensio of the Uchengi cattle fair and tried to encourage people to go Uchengi.

I am directed to request you to be good enough to bring the above facts to the notice of the Mysore Darbar and to suggest to them that it will be in the interests of cattle dealers in bo Mysore and British India. if the local authorities settle by mut consultation in advance the dates on which the fair at Uchengi may be held so that they will not coincide with the period of t period of the customary fair at Kulgunda which is held usually in connection with the celebration of the local Subramania festi

THROUGH THE DEPUTY COMMISSIONER, HASSAN DISTRICT

Sir

I have the honor to state that a cattle show has been organised be held near Uchangi road junction in the Manjaraba Taluk from 28th November 1928 December 1928 as was done last year and the show will be organised by the Economic Committee appointed by the Board as contemplated Government in their order No.L.5568-86/L.B. 4-24-59 dated 14th March 1928 Instructions have been accordingly issued to the subordinate staff the District Board to make necessary arrangements in this connection.

In this connection, I should like to bring to the kind notice of the Government, that the dates fixed as above do not really interfere with the Cattle fair at Kulagunda which will last till the 12th of December 1928 as intimated to me by the President the South Canara District Board in his letter No. Ref: C.4274/D.B. 1-28, dated 2nd October 1928 and as personally presumbly cattle are not likely to collect at Kulgunda in large numbers before the 7th December 1928 The car festival of Subrahmanyaswami will come off on the 10th December 1928 and cattle and men that have to go to Kulgunda and Subrahmanya will necessarily have to pas through the Vanagur-Uchangi road junction where our cattle

show has to be held by the District Board of Hassan Further, people can without diff culty find fodder and water in abundance at this junction on their way to Subrahmanya and can even find a market for heir cattle both at Vanagur and Kulgunda Besides, the huge congregation of cattle at Kulgunda and the risk of an outbreak of cattle diseases at Kulgunda can only be prevented by a temporary bifurcation by the holding of a cattle air at Vanagur road junction in the Manjarabad Taluk prior to the fair at Kulgunda. It is only by the adoption of such a procedure that the Mysore ryots can be saved from the loss of cattle and money which they used to incur on previous years and that the South Canara and the Coorg people can purchase cattle at reasonable prices

I shall however arrange to have a personal talk with the President, District Board of South Canara, in the matter shortly.

I have the honor to be,
Sir,
Your most obedient servant,

President,
District Board, Hassan.

Dear Sir,

With reference to your letter No.A.III P.R. 46-28 dated the 31st October/1st November 1928, intimating that a cattle show has been organised (to be held under the -- auspices of the Economic Committee of the District Board near Uchangi Road Junction in the Manjarabad Taluk from 28th November 1928 to 2nd December 1928 as was done last year, that the dates fixed do not nterfere with the cattle fair at Kulagunda that you would arrange to have a -- personal talk with the President South Kanara District Board in the matter. I am directed to state that in view of the complaint made by the British authorities in regard to the holding of the fair at Uchangi last year. the time for the cattle fair thereat should be ixed in consultation with the District Board President South Kanara and action taken reported for the information of Government very early.

I also sent him a telegram to the same effect. I have not heard from him to the contrary. They have as usual advertised their show to take place from 27th November to 12th Decr. 1928 as usual. Dear Sir,

With reference to your telegram dated 2nd April 1929, asking me to expedite final reply regarding dates for Uchangi and Kulgunda cattle fairs, I regret I have not yet been able to go to Mangalore and have a talk with the President of the District Board South Canara. However in pursuance of the resolution passed on the spot i.e., in the show grounds, by the people assembled, on the occasion of the last show I have proposed that our show held at Vanagur near Uchangi and Subrahmanya road may be held from (ಫೆಬ್ರವರಿ ತಿಂಗಳ ೮ ರಿಂದ ಮಾರ್ಚ್ - so as not to interfere with the show held by the South Canara District Board as usual i.e., between (ಜನವರಿ ತಿಂಗಳ ೨೦ ರಿಂದ ಫೆಬ್ರವರಿ ೭ ) and this I believe, must be acceptable to that District Board also, as it will not clash with their show at all and the dates on which they are holding them will remain unaltered.

I confirm my telegram of to-day as noted in the margir
